

# AAPL Fellowship Application

Inspiring  
Change.  
Together.

The standards for fellowship and the application process are rigorous. Applicants must meet all criteria and standards to the satisfaction of the Council of Fellows. It is the responsibility of the applicant to demonstrate to the Council of Fellows that they meet these requirements. Completed applications are then reviewed by the Council of Fellows and candidates will be notified of their fellowship status in early February.

Please read the Eligibility Requirements and Application sections on our [Fellowship page](#) for important information prior to completing this application.

A one-time processing fee of \$200 will be due once your submission has been confirmed by AAPL staff. This fee is non-refundable, and applications will not be processed until payment is received. Our staff will contact you with further details.

Please note, the application form does not automatically save your progress. We encourage you to review the application and draft your responses separately prior to beginning and submitting your application. Questions regarding the application should be directed to [cpe@physicianleaders.org](mailto:cpe@physicianleaders.org)
